Section 3: Child and Family Description

Describe the child in a way reflecting his/her real living situation. What is his/her personality like? What is his/her interest? Likes and dislikes? Hobbies and future aspirations? This information will describe the child and family to the potential sponsor and, the more it is specific, the better the sponsor will be informed about the child and family background.

AISHA CHAM: comes from a poor family. Her Father is a teacher and the Mum is a Horticulturist. The Parents monthly income combined is about 100 Pounds. This is too low to sustain a family of six with the extended family system in our culture. Aisha is a very smart kid and committed to her schooling. She likes reading and writing and very punctual. She needs a sponsor to enable her to continue her education and also to reduce the burden on her Parents.
