Describe the child in a way reflecting his/her real living situation. What is his/her personality like? What is his/her interest? Likes and dislikes? Hobbies and future aspirations? This information will describe the child and family to the potential sponsor and, the more it is specific, the better the sponsor will be informed about the child and family background.

Musa Ndow's Parents are divorce he is staying with his mum who makes his living as a cleaner to support a family of five. She earns about 50 Pounds per month which is too low to support a family of Five. He is doing well in class and highly committed to his schooling. He likes reading and playing football and mingles well with his classmates. His younger brother is in Nursery Two and they are always together. Musa will be going to Primary One this academic year and would need a sponsor to be able to continue his school and also reduce the burden on his mum being a single parent with four children to take care off.
