Section 3: Child and Family Description

Describe the child in a way reflecting his/her real living situation. What is his/her personality like? What is his/her interest? Likes and dislikes? Hobbies and future aspirations? This information will describe the child and family to the potential sponsor and, the more it is specific, the better the sponsor will be informed about the child and family background.

Omar Jatta is an adorable child and highly discipline. The father is old and the mother is the breadwinner supporting the family through her petty trading in the community. His mum is struggling hard for the welfare of her children. Omar is doing well in school but he is a sickly. We believed that his sickness is resulting from the poor living condition i.e lack of nutrition food at home. He is always happy to be in school and mingle with classmate. The sponsorship will really help him to reduce the burden from his mum. The school is helping in monitoring his health by ensuring he eats the right food to improve his health. His teacher puts great attention to him at all times.
