Section 3: Child and Family Description

Yusupha is always shy and reserve but doing well in class. He is very much interested in drawing and coloring. The Father is a Clerk but their average income per month is far less than 80 pounds. Being the only breadwinner it's very difficult for him to provide quality life and give the children the right education needed. His income is too low to take care of his six children with the extended family. Yusupha needs a sponsor to enable him to continue his schooling.

Section 4: Parent or Guardian consent Information

I agree that all correspondence to and from this sponsor will be done through the staff of Brufut Education Project and representatives of the project in diaspora and be opened and reviewed for appropriateness and confidentiality by the staff of the project and/or representatives in diaspora. I also give permission for a photograph of my child to be sent to the sponsor and to be used in BEP in advertising media including Television, Mail and Internet.
