## Section 3: Child and Family Description

*Amadou Touray comes from a family of six including his mum and Dad. The father is a local fisherman who does not have equipment for a big catch. He only earns an income barely able to feed the family. His income to keep the family is supplemented by back yard vegetable gardening done by Amadou's Mother. Their total average income per month is estimated to be about 50 to 70 GBP per month which is too small for supporting the education of their children. Amadou need a sponsor to enable him to continue his education.*
