Section 3: Child and Family Description

Bakary is living with a single mother. Her father travelled and the family has no information about him, whether he is dead or alive. The mother said it is very hard for her to take care of Bakary. Her work cannot sustain them. Bakary definitely needs support. He is very quiet, determined and has liking for artwork and play with friends. His mum is struggling to sustain the family of five without income. His Uncle is the one supporting the mum and her four children. Bakary is highly in need of a sponsor to be able to continue his schooling.
